“ I am so sorry to hear about the loss of Adrian. I have so many childhood memories with my mom, Susan Christensen, at both Stagecoach Restaurant and at Adrian's home to visit. I loved playing with his german shepherd puppies. My mom passed 13 years ago but, I know she would've been sad at Adrian's passing. May he rest in peace.

There were so many positive components to Adrian's life: Great athlete, great family man, great businessman. He wasn't given a lot starting out, but he built himself into a success story with hard work and an intuitive mind. He is a wonderful example for mankind.
