“ I always rememeber spending countless hours and days with you and Memaw. Everytime before you went to bed you would come into Memaws room and tell me not to start snoring. I loved and cherished every minute I had with both of you. I love and miss you more than you can imagine. There isn't a day that goes by that I don't think about you. Say hi to Uncle Mikey and Nick for me please. I love you Pawpaw, I will see you soon.

“ I was your very first grandbaby! You were always so proud of me & Kimberly. All of your grandbabies! I'll never forget going to Bingo with MeMaw and you letting me sit with you at the bar and buying me pull tabs! And when you had the restaurant Kim and I would always get "diet spriet" from the soda fountain! You'd tickle me until I cried then mom would make you stop, lol! Going to the commissary with you & memaw in that old Chevy pick up, just the three of us. That was my favorite! I love you so much pawpaw. I'll always miss you, but I'll see you soon enough! Keep everyone in line down here until then. Love you forever & always!

“ I'll always remember staying over night with y'all and memaw letting me stay up late to watch the boxing matches on the couch with you. And as soon as I walked in the house with Zayne you would say "bring me my baby!!" I know you loved our little man and I will forever hold those memories in my heart. I always called you "mean gene" and you would laugh with me about it. When I was younger you would make me sing "redneck woman" every single time I saw you. You loved that. Even though at the time I didn't, I now will always miss seeing your smile when I did sing it for you. I just love you so much pawpaw, and I'm so happy that your finally at peace now.

“ My Daddy the strongest, most family loving man I know. He wasn't the perfect parent (but then again who is) but he came pretty close, he always provided for us, loved us unconditionally and gave us good morals to live by (his motto: do as I tell you not as I do) LOL I thank the Lord above every single night for giving me to these two parents of mine! Love them with all my heart and soul, and my Daddy will surely be missed but it eases my pain knowing he is now reunited with his son, Michael Lenox and grandson, Nick Lenox. I'm sure they are having a great day of rejoicing, so this is not goodbye but until we meet again. I love you Daddy?
