“ Howard, I can not find words to express the Christian love I have for Alice. She has been a big part of my life from the first time we met in 1969. She was always with me on every good vacation and every UMW activity at church...not to mention always being by my side when someone was ill in my family. We prayed together and laughed together....and were always on the same side playing forty-two against two men from Beckville. We loved to laugh and draw a skunk from time to time.

I will cherish her memory until I see her sweet face again in GOD'S wonderful and everlasting kingdom.
