“ Alpha "MeMe" took care of my son (Dalton Skaggs) when he was little, and also my little brother (Lance Gassaway), my sister in law (Amanda Cortez-Williams) and numerous nieces. She played such a big part in who so many of the children in Santa Fe, TX grew up to be, they would have been lacking without her presence in their lives and ours. She was a wonderful, well loved woman with a heart of gold and her memory will be treasured. Our thoughts and prayers are with the family at this time; please know that you do not mourn her passing alone.

I'm so sorry to hear of the passing of this dear, sweet lady! Ms. Alpha was always so friendly in in a good humor whenever I bought lottery tickets from her; I always told her that if I ever won, that she would never have to work again, because she would be rich! I guess she is now & her work here is done & when she awakens in Heaven, I know she will never want for anything, because she will Have everything she could ask for! God Bless this Dear lady, whom I am glad I had the pleasure of knowing, if only but for a little while. 😊
