Our family was so blessed to have Althea become so an important part of us. She was so sweet and unfortunately, in our family, so gullible. Our Dad and my brothers would tell her such stories and, bless her heart, she would believe everyone of them! You didn't need to ask Althea if she was a Christian, she lived her life always an example of what a Christian was!! I loved her always and praise God we are part of her family. It was a gift from God!!
