“ *I seen how short a life Miss Jones had
and know how it effected many ones
Including Ms Jones and James. I know
my weight is on the same road and
hurting me and I know learning
from from Miss Amanda and how
james changed his life has made
aware of what is and what can be
like ms Jones. I look forward to time
when we will see Ms Jones soon..*

“ Amanda had a genuine interest in meeting people. Her love came through in her conversations and phone calls. She was warm and friendly and had an innocence that was very disarming. She cared about others. Her positive outlook blessed our lives. She left us too soon. We miss her.
