*Mr. Maxey, you were a fine gentleman in my book. As a youth, you always offered encouragement to those that needed it, and you stood your ground for what was right. I am a better man for having known you.*

“ Coach Maxey helped me grow from a young man into a teenager through my years in the Boy Scouts. Coach was our scout master and it was because of his support and dedication that I received my Eagle Scout merit under his leadership.

*The one constant that I observed as a young man and it still resonants with me today was how devoted Coach was to his faith to our Lord. Every camping trip that we took coach made sure there was a bible lesson taught, a prayer time and that truth of God was the foundation for how he lead each of us.*

*Thank you for your faith in God coach, it made a difference for so many....including me. Matthew 25:23*

*Sincerely,*

*Ralph M. Todd (Eagle Scout class of '93)*

“ Condolences to your Family. Mr. Maxey mentored to my children Jennifer and Iain Allred when Joe and I attended Central Baptist Church. Joe and I went on a Trip with several members of our Church to help Rebuild a Church that was Completely Flattened after a 5.2 Tornado. I think it was in Oklahoma. He worked along side Joe, Mr Cain, and several other sweet guys on this project. He was always cheerful , helpful and kind.  
He will be missed

“ Dear Rickey and Steve,

*It's been a long time and you may not remember me, but our families lived one block apart on the corners of Hill Street during the 1970's. Brother Tommy was CHS Class of 1977, me 1978 and Rickey 1979. I remember your dad very well as someone who loved his Lord and family very much. I believe he was coaching baseball in Marshall at the time and I fondly recall seeing him returning home each afternoon as he rounded the corner of North Daniels and Hill Streets in his beige-colored Volkswagen Beetle. Take pride in memories of him as your earthly father and rest in peace and comfort that he is now with our Heavenly Father...*

“ Mr. Maxey, the boys would say. “ Where are we going to camp out?; Let;s make our list!” What a great leader he was for the Boy Scouts. Our boys could not wait for the exciting adventures they were going to have with his group. Many wonderful memories. The Hamburger Sale, the camp outs, and the cookout camp style. He has left many skills for those who learned what knowledge he had shared.

*Mr. Andrew Maxey will long be remembered in our family. Prayers for all of his family as you will miss his presence. We are thankful he became our friend.*

“ *I can't recall a time that I encountered Mr. or Ms Maxey and they didn't have a huge smile on their face. Rickey, you are the same way. I know you are taking comfort in the fact that your sweet Daddy is resting peacefully with your beautiful Mother and Brother. I will never forget the time I went to Mr Maxey (they lived right behind us) and requested that he sign me up as a member of his Boy Scout troupe. In all seriousness he diligently searched his leader book and finally told me that he guessed he could do it but that he just could not see me going camping with a bunch of wild boys. He validated my wish and that was all I needed. Mr. Maxey was a great man and will be missed*

*Always loved to see him on his porch in the afternoon as I drove the school bus by his house and honked the horn and got a big wave from him. Big honk to him on his way to glory.*
