“ I first met Andy when I moved to Carthage in the 6th grade and we got into a fight a spent a week in alternative school together where we became friends. I then worked with him at Cart-Tex transport and was so glad to get to know him there and see what a fine person he had become. I really wish I could have spent more time with him because we were very much alike. When I moved into my new house a couple of months ago he was there visiting a neighbor and saw me and came by and said hi. Never thought that would be the last time I saw my friend alive. I got a call from another friend that worked at Car-Tex with us that he had been killed last Thursday night and I still can't bring myself to believe it. I know Andy was an awesome driver and there is no way this should have happened. My heart goes out to his Family and I pray you pain will ease and the good memories of Andy and that smile will warm your thoughts and never fade.##imported-begin##David Stanley##imported-end##

“ Tommy, Beth, Jennifer and family,

*Our thoughts and prayers are with you all as you lay your loved one to rest. May God comfort each of you and whisper sweet peace to your hearts. No words ease the pain or suffice during times like this. Having lost a son as well, my heart literally aches for each of you. The only thing that brought me through was family and God. Stick close to each other, offer a shoulder and love each other through this.*

*Each of you shall remain in our prayers. May God bless you and keep you...always.*
