“ My family's prayers are with you all today as you all lay Angela to rest. I have known her since 7th grade at EF. I can remember there never being a dull moment. After graduation life took us on different paths, I had Facebook for years and last year, there she was sending a request. We talked frequently through messenger. I tried to always give words of encouragement because life was throwing her bricks and lemons. I prayed for her often. Only regret is we never got to hang out before her passing. She seemed tough and rough around the edges , but she was a tender-hearted person who worked hard And loved hard. And I always let her know she was loved always by God, Jesus and me. God bless you all family. Much love always.
