“ To the family of Audie, Neima is a best friend to me. While I have had the pleasure of meeting Gail and Latretha on many occasions I never met Audie. Please accept my sympathy on the loss of Audie. Neima said that people showed up in the hundreds to pay their respects to Audie. Evelyn, I am so sorry for your loss. I have never been able to figure out why God seems to need The good ones. From everything Neima has told me about Audie it seems he lived a good life and was loved by many. I will join in prayer to ask God to provide comfort to you whenever you need it. I will also ask for God to give you peace when you feel the need for assistance in your journey of grief. And lastly I will ask for God to bless you when reliving your memories shared with Audie. I ask that God will heal your hearts. Again I am so sorry for your loss. Take care and know you are loved.

“ *Audie has been a big part of our lives over the past 8 or so years because of our son Jesse and his and Evelyn's daughter Alisha. From the second I met him until the last moment I got to spend with him, I grew to love him. He never let me forget I was a part of their family not just as Jess' mom nor as Raie and Remi's Nana but as a friend for life. I could not have chosen a better man to be one of my son's father-in-law than Audie. If ever there was a person larger than life it was Audie or "Oldie" as I liked to tease him. It has been said "only the good die young", well Audie was both good and young. I love you Evelyn my friend; I love you Lisha my girl; and I love you Jess my son. Raie Raie and Rem Rem, Nana and Poppow love you. You both were the apple of your BawBaw's eyes and you will forever be.*
