

Austin Gray

December 17, 1999 - July 4, 2018

Celebration of Life services for Austin Gray, 18, of Carthage, Texas will be 2:00 p.m. Sunday, July 8, 2018 at the Still Waters Cowboy Church with Dr. Dale Reed officiating. Cremation arrangements are entrusted to Hawthorn Funeral Home. Visitation will be 6-8:00 p.m. Saturday night at Hawthorn Funeral Home.

William Austin Gray, a bold and heartfelt spirit, entered this world December 17, 1999 in Shreveport, Louisiana and passed away July 4, 2018 in Longview, Texas. Born the only son to the marriage of Lawrence Tracy and Kimberly Denise McGuire Gray, whose lives would never be the same, grew up and attended Carthage schools, where he played football, the game he loved most and was a proud member of the 2016 state champion Carthage Bulldog football team. He graduated with the Class of 2018. Austin, always a team player had a huge heart and a big smile, as well as a mind of his own. He loved to fish and play soccer, and spent countless hours teaching children in the community to swim. Austin left this life in a short 18 years but he put more into those years than most pack in a lifetime. He was there when you needed him and would give you the shirt off his back; sleeveless of course, which was his trademark, but would do anything for anyone. Heaven has gained a wonderful, happy soul. He is preceded in death by his PaPaw, Jimmy McGuire, and grandmother, Marie Gray.

Austin is survived by his mother, Denise McGuire Gray of Carthage; father, Tracy Gray of White Oak; Pappy Bill Gray and Ms. Donna of Keatchie, LA;

Granny, Shirley McGuire of Carthage; girlfriend, Kassi Ham of Hallsville; half-sister, Shelby McCoy of Center; aunts and uncles, Dwain McGuire of Carthage, David and Linda McGuire of Carthage, Diann and Donald Wilhite of Fruitvale, Dollie and Jerry Aaron of Seattle, WA, LeAnn and David Skinner of Stonewall, LA, Donna Cagle of Keatchie, LA, and Roxanne Compton of Grand Cane, LA; special aunts, Cindy Moreland and Mitsy Owens; Kassi's parents Robert and Audrey Ham; many cousins, other relatives and a host of friends. Serving as pallbearers will be, James Ebarb, Dillon Ebarb, Hunter LaGrone, Triston Boniol, Cody Davis, Mykel Gates, Hunter Stephenson, Jacob Cabello, Nate Brittenham, Hunter Gauger and Jesse Wayne Pierce.

Denise, I am one of LeAnn and David Skinner's friends. Austin's service today was a beautiful tribute to his life. It made me feel as if I knew your precious son – what an amazing young man he was! My heart breaks for you. I cannot imagine the pain and heartache you are experiencing and I pray God gives you comfort, strength and peace in the days, weeks and years to come. Jesus is the only one who can get you through this terrible valley. He is hurting with you. He feels your pain. So just keep clinging to Jesus. With love, hugs and prayers from Nancy Shelton

I can not imagine the pain you feel. But know the God had a Greater plan for Austin. We may know or understand that plan, but will in time. Just know there are plenty of people out there who loved him and love you. Reach out to them on your time of grief. Turn to God for understanding, support, guidance and hope. He will not let you down. And remember to "Breathe". Prayers for you and all the family. You are strong, but let the tears flow. They will cleanse your soul. Vickie Townzen

“ He never met a stranger he always had a smile on his face. I don't think that there is one person in this town that Austin didn't touch in some way he was just so easy to love. He would complain to you on things that no one else noticed and he never was afraid to help you support whatever you had going on like he never thought twice to get out on that soccer field during breast cancer awareness month with pink hair or a pink ribbon sprayed on the side of his head even though by the end of the game he would have pink all over himself but he didn't care he still was smiling I'm gonna miss that smile Austin you are loved and will be missed but not forgotten

“ I am proud that I was able to be a part of Austin's life. We still have shirt sleeves laying around. He showed me and my family how to live life to the fullest. He was walking on his tiptoes July 4th. That always was a good indicator of how happy he was. He became one my kids. He was there anytime to help any of us. He was a young man that loved his family and friends more than words could express. We will miss him so much. I really looked forward to a future with him as part of my family. We love you Austin, and I know you are looking down and will always be with us.

“ I was blessed to have Austin in my kindergarten class. I loved every minute with this precious, fun loving child. His smile was infectious. He could brighten the saddest of days. He was a friend to every child in our little classroom. I have enjoyed watching Austin grow through the years and have been so proud of the young man he had grown to be. His smile & my memories of him will live in my heart forever. Forever my little buddy.

“ I remember Austin most as a strong loving son whose smile captured my heart. Austin taught my grandson how to swim one summer which changed Beau’s life. He was terrified of water and Austin was able to patiently change fear into trust I am trusting that Austin will continue to live in all our hearts. I know when I hug Beau I will also be hugging Austin as well. Thank you Austin for your sweet gentle spirit. Hugs Terrie.
