“ My mom, Sue Koonce, loved the Anderson family. She attended church with Barbara for years. She always spoke so highly and with love for them. I have told mom about Barbara. Suffering from dementia and other issues, she has been on hospice care for several months. She seemed to understand and was very sad to hear this. Please know that e send our condolences and prayers.

“ To Brandi & Bill: My heart is broken hearing I've lost yet another aunt. Barbara was a part of my life for over 60 years and I loved her dearly. My thoughts and prayers are with you all as you lay her to rest but don't grieve for her. Can you imagine the reunion that took place last night?! We will all miss her but she's with Billy now as well as her Saviour and she's healthy and happy. I love you all! ❤️❤️
