“ Just finding out Barbie has passed. I knew her in her youth. Seeing this photo of her is the perfect “picture” in my minds eye. At the time (many years ago...) she was dating my brother, RM. She was very beautiful and had a wonderful personality. She had a ready sense of humor, sometimes quirky. For many years we were very close. Even when she and Phylis lived in England we kept in touch. Her letters were filled with funny antidotes of life near the coast of the North Sea where her dad was working at the time. Sadly, she and Raymond’s relationship was not to endure. Barbie found a new life upon her return and unfortunately we lost touch. Nevertheless, she always had a place in my heart. I remember her in the glow of her stylish, youthful, funny self. I’m so sorry to have missed her memorial. Condolences to her family.
