*“ I am brokenhearted for all of the family,
including her first cousins on Uncle Elbert's
side. To know Dian, was to love her. She had
a contagious laugh just like her dad and
Uncle Roy. So many memories of fun times
spent together, even though as we grew older, times together
weren't as many as we would like. She was taken to soon for those
of us still here, but the Lord needed her in Heaven. Sending prayers
for Bob, girls, Steve and family, and Pam and family. Love all of you
and I know she's already missed!!!*

“ There are people who pass from this earth who are nice and good people. Then there are folks like Miss Dian, loving and kind, one who shared her talents with us all. She will be missed by all. May God be with her family and Brother Bob in a special way at this time.
Be looking for the time when we can sing at the feet of our Lord Jesus Christ. Love you all.
