“ *Aunt Barbara,  
I will always remember your smile and your laugh. They were intoxicating to everyone and anyone who had the luck and pleasure to see. The big breakfast's you would always cook when we visited (too rarely I might say).  
I chuckle in my mind when I recall just how much you idolized and love Elvis Presley.  
Our family morns your passing and will forever keep Uncle Bobby, Letha and Chuck in our thoughts.  
I know you are celebrating now until the end of time with your father, grandmother, my dad and Aunt Katherine. And we so look forward to the day when we will all be together in the arms of our Lord Jesus Christ.  
Until then, we love you.*
