“ I'm so sorry to hear about the death of this wonderful lady who was also a great friend of my Aunt Ruth Dale and Uncle Woodrow for many years. My family enjoyed the times Beckie and Ace would come to visit them at Lake Bistineau. She was a beautiful lady inside and out!

“ Mrs. Beckie was such an inspiration to me. Every time she came in to my work place she would have a sweet smile on her face and a compliment to share. She was beautiful inside and out...she always had her hair fixed just right, her nails perfect(we shared nail polish) and she was looking good! I loved her faith in God, we shared that too! She was quite a lady. Bobby, you and your family are in our prayers.

“ *I am so blessed to have had her as my grandmother. She was the most loving, caring and warm hearted person. She could cook better than anyone (and always had a pitcher of sweet tea in the fridge). She would let me go "grocery shopping", which is what she and my grandfather called it, which meant I got to go through the pantry and pick out anything I wanted and she would bag it up for me. My summers were spent there and her and my grandfather never complained when I wanted to stay longer. I'll miss her famous red velvet cake, homemade sweet pickles, her laugh and her contagious smile.....but mostly, I'll just miss my Granny. I love you and look forward to you greeting me with open arms when we meet again.*
