Bert was a classmate and friend. It was several years ago that we were at ballpark watching our grandkids and had a chance to reconnect after so many years. He was enjoying his wood working and the travel to trades days, as we all saw on his facebook post, but more important he loved his kids and grandkids. Bert will be greatly missed by his many friends and family.

“ Bert will be greatly missed. He and i have shared so much together as friends. Never judgemental just accepting me as i am failures and all. Many nights we have sat til wee hours in the morning on his back porch admiring the handy work of God in the beauty of the place he bought and talking over our lives past present and future. I will miss those times but cherish them also. Rest my brother. U will be missed

Bert was one of the best friends anyone could ask for. I had the privilege of meeting him years ago through my brother, Earl. They were the best of friends to each other and I wouldn't have had it any other way for each of them. Bert also introduced me to my first blue heeler, Bandit. He was a truly man of God, great father and grandfather and best friend to all. I spoke with him a few days ago to tell him about a new litter of pups expected in the next few weeks to see if he was ready for re-payment of my first one. We talked for a while and I loved Bert as brother.. so brother of mine... it's not goodbye,, it's "until we see each other again" and we will. RIP my dear friend and brother. You will be missed greatly.
