“ I am so sorry to hear of Beth's passing. I haven't seen her in the past few months but we always enjoyed a visit together. I always admired her pretty yard with all the plants and flowers. We had lost touch for a long time but I have known her for a long time. To her children, I used to come pick you up for church at Antioch when you were just kids. Don't put off going to visit someone as I have for several weeks now, because you never know when it will be too late. She was always so sweet.

“ Beth was such a very sweet friend. She always had a smile on her face everytime saw her. She helped me learn the ropes when I started driving a bus. She will be missed on this earth. But if we live right we have the assurance that we will 1 day see her again. Praying comfort and blessings from God for the family. ❤️🙏🙏🙏💜💜💜
