“ Mrs. Betty always had a smile to give you and a gentle way about her. I remember going home with Pandora, Mrs. Betty and Mr. Skeet on Sunday's after church service and spending the day with them and going back to church on Sunday night. What wonderful memories I have of spending time with her and the family laughing and talking. I was just a little girl at the time, but she made me part of their family always and forever. I will miss her and always love her. My prayers and thoughts are with the whole family. Darla Youngblood
