“ Oh Lord! Have we had some times! Before Carroll and with Carroll and after Carroll. He kept us in stitches for sure. No one thought you and Carroll would last, but you and him were like the boots y'all wore to go boot scootin', fit like a glove!!!! I worried about you so much, especially all those hours you would dit crocheting waiting for Carroll to come out of dialysis. And then I was so proud when you picked up the photography! Finally you had found your most important thang! And I can not end this without a mention of old Snot Face the cat!!! That poor baby, he made such a mess, but I guess you are seeing him now in a new light! Love you Betty, always will. Maybe you and Yvonne can pick a winning slot machine when we get up there!!

“ *My Dearest Cousin, Friend and my Heart. I remember when I came to see you and kneeled by your bedside. I asked you " WHAT AM I GOING TO DO WITHOUT YOU?" You reached over and wiped a tear from my eyes and said "YOU WILL BE FINE. CAUSE IN YOUR HEART ALWAYS I WILL STAY."* Oh the memories we have together has made us laugh as we looked back. I know when i see you again we will walk side by side thru heavens green pastures. I LOVE YOU SO MUCH. You are healed and forever young now.
