“ *Betty's daughter Shirley and I were in the same grade at school and we were great friends so if I wasn't at Shirley's house she was at mine. We got to know and become part of each other's family. I know Shirley and Cathy will miss her but she's well and happy in heaven*

During the 70's, when Betty worked in a little store in Riderville, we got to know & love her. Her mother was always there with her & spending time with them was such a joy! She was the kind of person you never forget!!
