“ Over 19 years ago, this beautiful lady asked me to teach her son. That started a friendship that has lasted and turned this family into my other family. Every afternoon she would walk into the kitchen, smile, hug me and say, "You are my friend." I just called her Pretty Lady. She was an intelligent, independent lady of many talents, but most of all, she was an incredible mother. Pretty Lady, thanks for sharing your family, your home, your friendship, and your love with me. I love you bunches, Gayla
