“ My Life was forever touched by this sweet lady. So many holidays with time spent together and a friendship that will never be forgotten. She loved with all she had. I have years of precious memories and special moments of laughter tucked away in my heart and will forever cherish her friendship. Aunt Bea you will be missed. I will see you when I see you my sweet precious friend and adopted Mom. And yes Kelsey will always remember the word you taught her. We laugh often about the incident with that sweet puppy Penny.

*“ Mother I know that you and Dad are together again along with Nanny and Grandpa Guy and Mam Maw and Pap Paw, but that doesn't ease our selfish earthly emotions of sadness and sorrow. We have been promised as believers in Jesus Christ that we will all be together again one day and so that is what I will cling too. You chose us kids, Phil, Cathy and myself as your own children and I never looked at it any other way. I have such great memories of our times as kids and the trips we went on so that is what i will choose to hold on too for as long as my memory allows. I love you for that and will see you again one great day.

*I was so sad to hear about our precious friend! I got to know this very special lady at Winkler Place. We had lots of laughs and I even got to see her granddaughters pig. I just loved her smile. And my mother loved her as well. She was a doll. You are in my thoughts and prayers.
