“ I went to Lakeshore Junior High with Billy Roy in Shreveport, La. I lived in the same block, but one street over. I remember us smoking cigs in the woods near where we lived. Also learning to chew tobacco. Never been so sick in all my life from the experience! So sorry to hear of his passing. I now live in Vidor, Tx, where he used to live.

“ He was my father. My name is Scott Sikes. I hadn't laid eyes on him nor heard from him in 18 years. Somehow I got left out of the obituary.
