“ We only got to meet Mr. Bob once and that was at the birth of his granddaughter Miss Olivia. And I must say he was one of the greatest men that I've ever seen when it comes to his family. The love he showed and the emotion he showed was the true emotions of a man that loved his family. Our deepest condolences go out to the entire family for Mr. Bob, it was an honor to meet him and Godspeed to your location and heaven Mr. Bob. I can honestly say that I wished that we we've got to meet him long before this time that way we could have known slot more about the Awesome man that he was. Mrs. Rebecca Newman If there is anything that me all my family can ever do for you we will always be here for you because you are a part of our family too. With love and condolences.
