Bobby Pleamons was my father, Bill Whittenberg's daylight Driller for years. I had the privilege of working as a roughneck back in 72-73 for Bobby, before I had a near Fatale car wreck on June 5, 1973. Upon my recovery, I worked around and for him on several more occasions over the years. He was a friend and respected aquantance in the 70's and 80's. I lost track of Bobby after that but I will always remember him fondly.
