“ Luanne, George and I were saddened when we heard the news about your Mom. Moms are special and although saying good-bye is very difficult, we can keep them close with the beautiful memories they helped us create. Please know we love you and are here for you if you need us for anything. Mary and George Bush

“ Dear Luanne,  
You are in my heart and prayers. I have so many wonderful memories of us playing at your house until your Mom got home from work. She was always kind and thoughtful, even when we watered down the kitchen with the sink hose. She laughed, had a loving presence and she loved you so much as you loved her. Barbara Anne Bounds Sadak

“ I am so sorry to hear this, Luanne. Love to you. B.A says she is not allowed to post here being from out of state, so she asked that someone let you know she is thinking of you, too, and loved your mother. - Jan Burke Ashmos
