“ Brandon was a true sweetheart. We met him when he was invited to our house by my nephew for a celebration. After that he was included in every celebration we had. He was a precious friend to us. Always ready to help... always offering hugs and compliments. Kind words of encouragement were what he was know for. We consider ourselves very blessed to have called him a friend. I'm so glad we saw him just a few weeks ago at our house as we hosted a birthday party. I'll always remember him with that smile on his face. Sending love, hugs & prayers for all his family and the dear friends he leaves behind. Rest easy sweet friend... until we meet again.
