“ *I Recently had the pleasure of sitting and enjoying an afternoon conversation on the porch with Mrs Brenda and 2 of her sisters talking about when they were little and young girls. Watching her smile in remembrance of her childhood and telling stories of her mom and dad sisters and brothers as I sit and just think of her laughter I must say it was such and honor to be in her presence.*

“ *I do's not have the privilege of meeting Brenda nor her sons, but I do know her daughter Karen, who is a bright, wise and beautiful woman, a devoted mother and a compassionate animal rights advocate. It seems evident that the best of Brenda lives on in her children and grandchildren; may she Rest In Peace in light of this truth.*
