“ I am so sorry to hear this. As I get older, I have forgotten so many people from my past, but not Brian. I only knew Brian for a couple of years in college but he definitely made an impression. I specifically remember a time I sold him a fishing rod because I couldn't catch any fish with it. What does he do? Goes out and catches a bunch of big bass with it the next weekend. Of course he had to let me know he was a much better fisherman than me. :)

Rest In Peace Brian!

“ Brian. Piggy. Pigun (earned this at NSU). There are no words big enough to fill the void. We were close once, but you ALWAYS held a special place in my heart - and still do. You were so full of happy. So full of light. So full of fun. This place will not be the same without you.
