“ God loved you so much he called to one of his most trusted and special Angels and said, "Brock, I am giving you this family to love and watch over and bless them all of their days.", The he did something special and unique. He sent him to visit with you for a very short time, that you would always know that you belonged to one another. You got to glimpse an Angel...How special is that !!!

*My heart and love and prayers are with you Amber and Brad and all of your family. I feel so blessed to have been given the short opportunity to meet your Angel. *HUG**
