Bruce was my hero for many years when I was younger, I will never forget him I loved him like a big brother. I will never forget my sister, mom and I going to Shreveport listening to Percy Sledge. Even though I haven't seen him in years I still love him very much, fly high Bruce.

“ Holley, I will always cherish us getting to see your Dad make that transition from this life of pain to perfect peace and total healing! God's awesome Grace has been "at work" these last 5 days, doing only what He could do. After singing to him, praying, and then laughing at one of our most funniest memories as a family...he just slipped out on us girls and went to see Jesus. God bless you Child, and our sweet grandkids. Love you, your mom.
