“ Daddy, I miss you so much!! I miss our Saturday & Sunday mornings on the front porch swing with our coffee and coconut cream pie, watching the deer. I have so many things to tell you that would have you laughing so hard. Like Phil on a cruise ship, me not knowing the brakes were out on the backhoe and ending up in the middle of the pond, Nora's newly found attitude, Bristol "lubing" me (she still can't say a "v"). Phil really misses you to, I know you & Jack have caught up. Phil can't get over losing the two of y'all. I always know when you're on his mind, he goes out and uses or tinkers with "old blue". You have always been My Hero, and I always thought you were the Greatest Man That I Ever Knew, and you always will be!! I will see you again one day, until then hug everyone for me and tell them how much I love and miss them. I love you, Daddy!!  
Always your little redhead,  
Gyn

“ I was so very sad to hear of the passing of my late husband James, uncle Buck. James loved his uncle and how they'd go to the rodeo when he was young. He was also proud that he was a fellow Marine like him and his father. I will never forget how kind and friendly Buck and Ann were to me, especially Ann who also came from England. They were the sweetest, happiest couple and are now reunited. My heart goes out to his beautiful family and it goes without saying he will be sorely missed. With love and fond memories always, Chris
