“ I just saw about Ms. Callies passing. I am so sorry to hear that and send my deepest condolences to her family. I had the pleasure of working with her at Briarcliff in Carthage. I still have the picture of her with Santa from last christmas. She was a joy to all that truly knew her and the sky will shine much brighter with her in it. May god bring her family the peace they need at this time.###imported-begin###ashley smith###imported-end##

“ Dear Mary Lou and Leona, Opening the paper this morning and seeing Ms. Callie's name made me so sad. She was a very special person and I immediately took to her and I think she felt the same way. She had an inquisitive mind and strong determination. I send you my prayers and hope that you have comfort knowing that she is with Jesus and "her baby." My love to all of you.##imported-begin##Freida Moore##imported-end##
