“ Mrs Carla was such a sweet lady always helping people .I worked with her in the ICU at Nacogdoches Medical Center before she transfered to the Emergency Room. She was thanked many of times by her fellow employees for her willingness to help in a crunch. She will be greatly missed as well as her wonderful cakes she was always cooking. She loved her family and children most she was always talking about then and when so smiling. MAY SHE REST IN PEACE WITH HER HEAVEN FATHER UP ABOVE..

“ One of the first things I did when I graduated college was to buy a sports car. My whole life I've had a love of muscle cars. One of my earliest memories as a child involves my Aunt Carla and Uncle Dana. They took me to the drag races. It was loud and scary and I loved it. I credit them with introducing me to that part of my life. Right now as I sit here typing this I'm drinking a Dr. Pepper. Its been my favorite drink my entire life. Thats because as a kid Aunt Carla would give me Dr. Pepper to drink as it was her favorite drink. I'm an RN who works in the ICU. Aunt Carla was also a nurse and I'm glad she was able to see me join the same profession. Life goes on but it sure wont be the same. Some things are irreplaceable. Of all the people you meet in life few can make you feel unconditionally loved like Carla did. Aunt Carla was always wonderful to me. I miss her and Uncle Dana very much. You can see what good people my aunt and uncle were in my cousins Will, Paul, Mary and Michael who have become well adjusted adults.

Love you Aunt Carla

“ To my Aunt Carla,

Your smile and warm hug always made me feel loved from childhood to adulthood. You were given a heart of gold, the size of Texas, and the ability to love family and friends unconditionally. Your memory will live on through your beautiful children and grandchildren. For me, personally, I will lock your memory away in a special place in my heart for always. I am sending all my love and deepest condolences to my cousins Mary, Willis, Paul, and Michael and all of those who loved you so dearly. You touched the lives of many and we are better people for having had you in it.

*Always in my heart, with love
Your Niece, Amy*

Carla was my sister-in law for many years. Actually, more like the sister I would have wished for, should I have had one, She was a bright light and always had a smile for everyone. I loved her so much, and already miss her terribly. We actually planned for me to come for a visit. Her joy was family and friends. she has two grand-children that she absolutely adored. What brings me some semblance of peace is that we will all see each other in Glory. I love you honey. You fly high with the angels.

Your loving sister-in-law, Becky Moore
