“ Sending Smypathy to the loved ones. Since she was buried @ Strong, was wondering if she had any Vaughn relatives here. My daddy was Charles D. Vaughn. I know he had relatives named Strong.

“ *I was married to Carol's brother for 40 years. We all kind of grew up together. I learned alot about cooking from her and her mother. I'm grateful she was a part of my life. I am sure going to miss her. She would stay at our house during the day when Alvin was working because she was a bit of a chicken (didn't like to stay by her self.) She helped me out by doing things around the house. Our 2 Labs loved her too. They had her trained well to let them in and out as many times a day as they liked and never complained. They had a special bond and they will miss her too!! She will always have a special place in my heart. I will never forget her!!!*
