So very sorry to hear of Carolyn's passing! I've known Carolyn at the hospital since the 90's, always knew she would take care of things and do it the right way when she was working. Always loved seeing her, shared some interesting stories and memories from years past. My thoughts and prayers are with the family, just know your mom touched a lot of lives in a positive way and will live on in many memories.

So very sorry to hear of Carolyn's passing! I've known Carolyn since she first started working at the hospital (ETMC) at the time. Such a smart lady and always willing to assist in any way she could. I loved seeing her familiar face any time I went by admitting, knew things were being taken care of. Thoughts and prayers are with the family during this time and just know that Carolyn touched many lives in a positive way over the years.
