“ RIP Nana Caroline. I had to get on here and write you because I can't believe your gone and I can't stop crying. I'm sorry I didn't get a chance to make it up there and bring the girls but I have been so busy. I know your in a much better place now with Earl and your watching over me. You were such an inspiration to me because I never understood how you did the things you do given the situation you were in. I love you with all my heart and will always cherish every moment I had with you. I will always regret not making a trip up there to see you in Carthage. I'll watch over Jacob and the fam for you and make sure he don't do anything stupid. I love and miss you tons and will always remember the love you showed me through all these years.##imported-begin##Adam Gibbs##imported-end##
