“ Betty,

Carroll was a character from the first time I met him. He, Patsy and Rita came to my wedding to Kernie, and it was as though he had known me forever. He called me "girl" and said I was his favorite sister-in-law---of course, I was his only sister-in-law. So glad I got to see the two of you dance: I swear that man's feet never touched the ground. What a fun loving guy! Especially poignant were Kernie's stories of how his big brother drove the tractor with Kernie asleep beside him and the fun they had on National Guard weekends.

Carroll loved his family, and you most especially. The way you lovingly cared for him for so many years is exemplary, Betty. No one could have done more for him, or done it better, than you. You were a blessing and great gift to him.

*My thoughts, prayers, and love are with you and all his family.
"Blessed in the sight of the Lord is the death of His saints". -- Psalm
116:15*

*Much love,

“ *Carroll was a cool guy at work. He was always good for a great story and a good laugh. I though sometimes he might me a genius in disguise, he could fix anything or sure tell you how to do it.. He sure liked to work and to be the best he could be at the job. Wish I had taken the time to know him better. Rest in Peace Carroll Northcutt, Mike Mayes*
