“ *My mom said that she was sorry she didn't make it to the funeral but she would not be able to hold up to seeing her laying there. She was her best friend and loved her very much and she will always be on her mind, and will always remember the good times they would have when they were together. She will miss talking to her almost everyday. Lots of Love.##imported-begin##Mary Wigley Tucker##imported-end##*

“ *Theresa, Roy*
I was so sorry to hear about your Mom's passing. I loved her dearly and did not hear of her death until Wednesday afternoon. She and I have spent many hours on the phone this past year and I hope I gave her some comfort as she did me. I will miss her. Love you both.
