“ I remember Charles from working together at TXU. He was my foreman years ago at Beckville. Although it has been along time since I've seen or heard from him I have good memories of him. He was a good person to work for. My thoughts and prayers go out to the family.

“ Charles and I were close friends in Vietnam in 1968. I have many good and some funny memories. My thoughts and prayers are with the entire Bachman family. Charles was a good man, friend, and Vietnam brother; he will be missed but not forgotten. I was glad to get reconnected with him in 2011 and enjoyed the eleven days he spent visiting me in Virginia and our trip to see Burfield in NC. It had been 43 years since the three of us had been together and as Bird said: It seems like yesterday. "CHIP" I'm gonna miss you brother.
