“ My condolences to all the family and friends of Chuck. I came to know Chuck years ago when he worked for my wife at Mission Carthage. Janet always spoke about his dedication and commitment to Mission Carthage. She spoke of how he would do anything and do it well. We both had a great love for Chuck. Even after having a stroke in bedfast, I never heard him once complain or say anything negative. He had a good positive attitude and his love for the Lord was very evident. May our Lord grant peace to all of those who are grieving their great loss.
