“My deepest condolences to you and your family. My heart goes out to you at this time of loss. I think about how many students' lives Mr. Hughes touched at Panola Junior College. My mind drifts back to 1969-1971, when Mr. Hughes was my journalism professor. I've always held him in high esteem because the skills he taught applied throughout my occupation. It was this solid foundation I built on during my career. I always looked forward to his class.
