“ Dennis is in Heaven with his son Eric and others in his family that are already there.

My thoughts and prayers are with his daughter Brandi, sister Dian and brother Steve and other family members and close friends.

Dennis and I were great friends. I recall him to be extremely fair in his business dealing as Production Superintendent. All that knew him had the upmost respect for him. Dennis has many friends in the oil and gas community. He will be missed by us all, but not forgotten.

I remember several occasions when Dennis and I visited about the Lord. Please don't have and hesitation about his faith, he is a saved Christian man...

God Bless Dennis's family and close friends.

“ Denis was the best boss I ever had. He was always fair and and knew the gas field from the bottom up, because he started at the bottom and worked his way up. He could chew you out while smiling and laughing but you knew you better take him serious. His love of coffee and his contagious laugh will truly be missed. Prayers for the family and friends.

“ *We are praying for the family in this difficult time. I have many fond memories of Dennis, mostly of when he was a teenager and he and his family came to Grandma Kate's house. He always was in a light-hearted mood, laughing along with all the cousins as we all gathered together outside on Grandma's porch. Those were such sweet days, getting to know our extended family. I'm sure Dennis is happy now with Jesus and his mom and dad, and all our family members that have gone before!*
