“ *Dear loved ones---I just keep remembering things that occurred when Charles was not very old and they just keep coming. Hopefully we will have a chance Saturday after-noon to share I know you are hurting a great deal and we have heavy hearts too but there is a reason for his being called to his eternal home and we know,if possible, he is out fishing and having a great time.*

Please know how much we love you and I have wanted to get in touch with you but had no way until this site came up this morning. If there is anything we can do from here, please let us know. You four are in our prayers and constant thoughts also.

See you Saturday. Peace and blessings, Aunt Mary
