“ Yesterday was your wake and today was the service. It just doesn't seem real that you are gone. Maybe it's because we never got down to see everybody at Christmas time or on your Spring Break. So we then planned for this Summer. Which will never happen now . So sorry my friend. It just don't feel right not having you with us any longer. But you will always be remember since yesterday was my husbands birthday. So you will neumrmver be forgotten by Toni and me. Love ya son.
