“ Charlie, You came into my life at the time that I needed you the most. You made me smile and laugh again. You made me believe in myself again. When I met you all I saw was a man with a huge heart. I know that you loved me because you told me and showed me everyday. You are the best thing that has ever happened to me .The time I had with you I will cherish for the rest of my life. I love you and I miss you like crazy. All I want to do is put my arms around you and tell you one more time that I love you and get one of your special bear hugs. Charlie I will love you until my last day and even then I will keep loving you. I refuse to say goodbye to you so I will see you on the other side....with all my heart I love you.. Vicki
