“ Dear Family of Charlie- My deepest sympathy is with you today as you lay this sweet man to rest.
I've known Charlie since we started Kindergarten!
Also, my dad worked for his dad for most of our lives...up until Drew's death and then until the company closed.
Charlie was a pallbearer at my dad's funeral (Jesse Lovell). That was the last time I saw Charlie.
I know the hole in your heart is huge and that grief seems to overwhelm you. I will lift you up to the One who can heal...the only One who can, in time, bring you comfort and peace.

“ I am still in shock and disbelief that we will no longer see Charlie's smiling face around Sand Hill. He was always my "go to guy" for just about anything I needed! He was Larry Joe's best friend and he could ALWAYS calm Larry Joe down when no one else could. We loved him. Charlotte we love you too and always remember we are just a phone call away if you need us. Praying for peace and comfort for you and your family! “ We are very sad about the loss of Charlie and offer our heartfelt thoughts and prayers to all his family.

I often think of the two summers when Charlie was a teenager and joined me, and my sons, on week-long camping/fishing trips. He kept us laughing and there was never a dull moment with him along.

I regret having so little time with him through the years.

“ The mood in our office this morning is one of disbelief and sadness. No one wants to accept that Charlie's passing is real, it has come as such a shock. Charlie was a person who loved people and always wanted to lend a hand to help those around him. He also wanted you to know that he cared. Yesterday was business as usual, Charlie was calling into the office making sure that all of the bases were covered. Never did we realize that it would be the last time that we would talk to him. Charlie will be missed here at Sand Hill Foundation. Things will never be the same. We are praying for the family. Ms. Charlotte, our prayers and love are reaching out to you.##imported-begin##Lisa Hailey##imported-end##
