“ My daughter Angie was just a little girl one Christmas. My Mom and Gene came to see us and brought a little red wagon for Christmas for Angie. Gene was so excited to bring it for her. He pulled her around in it for hours. She loved it! Rest with Jesus loving man.

“ Aunt Helen... Darrell & Betty... I'm so sorry for your loss. I know how tender your hearts must be right now, yet we know the greatest grief counselor of all time. I'm lifting each of you up into His capable hands as you say your earthly goodbyes to Chesley Gene. As we know, God is preparing a place for His children and one day we'll have a family reunion the likes of which no one has ever been able to imagine. Until then, trust in His otherworldly peace to shore you up for the tomorrows that remain. I love each of you and will be praying for God's comfort in your hearts.

“ Aunt Helen, I'm so so sorry to hear about Chesley. I didn't realize he was just 2 years older than me, although I know we all grew up together. He will be missed. I love you. Lynn Hobbs.
