“ Clyde was my favorite fun cousin. He and Kay came all the way to McGregor to visit me. We had a great visit. It didn't matter how long between our visits. It was like we had never been apart. I don't think Clyde ever met a stranger.

“ Clyde was my favorite cousin. We grew up having fun together and continued to be close throughout our adulthood. My heart is broken at his loss. He always had a smile for everyone. We shared many fun times teasing each other. His laugh is infectious, one cannot hear it without joining in. He always had a funny story or a joke to tell. Clyde was always ready to help anyone, especially family. He always made sure that I knew he was there for me whatever the need. He was my rock at any time. I feel like my feet have been knocked out from under me with his loss. When I was in high school I introduced him to a cute girl who was a close friend, Kay Caroline Harrell. They were immediately in love, couldn't bear being apart, so much so that they eloped on a sunny spring day. Their marriage united two of my closest loves - Clyde and Kay! You didn't see one of them without the other. Another angel has gone to be with our Savior. I, Glenda Sue" miss you "Clyde Arthur" today and will until I see you again in Heaven.

I pray God comforts Kay and their children, and all of us who loved him.
